Summary

With almost half of the precincts total population residing in Viewbank, it is interesting to note that 18% of the population of Yallambie is aged between 12 and 24 years. Yallambie is in the top 5 areas with the highest proportion of those aged between 12 to 17 years (adolescent), as well as those aged 18-24 years (young adult) within the City of Banyule.[1] Majority of schools and recreation facilities of the precinct are located in Viewbank, making Yallambie and Viewbank important suburbs to consider in the design and implementation of public spaces.

Summary

Bundoora's population of those classified as 'youth'[1] within this framework is 17.6% of the total population falling within these age ranges. Bundoora is also home to the largest proportion of those aged between 18- 24 years across the municipality. This high proportion of young people is predicted to have low population growth over the next decade, with a predicted 0.5% increase in 12-25 year olds. Whereas the number of 12-15 year olds in Watsonia is predicted to grow by 10.4% over the next decade.[2]

Summary

Heidelberg West- Bellfield was among the top 5 suburbs with the highest percentage of those aged between 18-24 years. The suburb(s) also had the highest level of disadvantage, with a SEIFA 2016 index score of 864.7. These statistics combined suggest the need for careful planning for open spaces and youth facilities within the area.
