- Library seating areas
- Sensory areas

64%

Support reducing car parking to allow for more public spaces.

72%

Support council advocating for monopolies.

## What you told us

% that support or strongly support...

# Your Watsonia Town Square

Your feedback helped us develop a great picture of how you want Watsonia Town Square to look, feel and function. **It is clear you love Watsonia but want to increase the quality of life for local residents and visitors.** We have developed a final concept design to share with you for feedback. Tell us what you think!
