SITE FEATURES

- A** Grandstand
- B** VIP Room/Stand
- C** Heidelberg United Football Club
- D** Banyule Community Health (Barrbunin Beek)
- E** Spectator Mound
- F** Residential Properties Backing Onto The Park

VISION:

That Olympic Park is a place of welcome, providing the community with leisure, recreational and sporting activities in a safe environment.

General

- Provide suite of consistent style park furniture (Action 1.14).
- Park lighting and CCTV in selective areas, including Crime Prevention Through Environmental Design (CPTED) principles to assist with surveillance and general park safety (Action 1.11 & 1.12).
- Introduce wayfinding signage (Action 1.17).
- Introduce Water Sensitive Urban Design (WSUD) devices within Olympic Park and surrounding streets (Action 1.22) eg: raingardens/vegetated swales.

Sports fields and infrastructure

- 1 Multipurpose sports pavilion (Action 1.21 & 2.7).
- 2 Refurbish and expand soccer facility (Action 1.1).
- 3 New electrical substation (Action 1.2).
- 4 Additional 3/4 size synthetic soccer training pitch (80x50m) (Action 2.3).
- 5 South oval with 2 full size soccer pitches (100x60m) and cricket (55m radius). Demolish Charles Skerry pavilion. (Action 2.8 & 2.9).
- 6 Fully enclosed fencing around pitches (Action 2.1, 2.9 & 3.1).
- 7 Relocated and expanded cricket nets (Action 2.11).
- 8 Athletic track removed (Action 2.1).
- 9 Main pitch located further east (Action 2.1).
- 10 Upgrade sport lights to training level (Action 2.10).
- 11 Paved pedestrian plaza and spectator area (Action 2.6).
- 12 Upgrade north oval with 1 junior soccer pitch (70x45m) and senior cricket (50m radius) (Action 3.1).
- 13 New score board on top of mound (Action 2.5).
- 14 Ticket box (Action 2.5).
- 15 Relocate light poles on west side of main pitch (Action 2.2).

Community recreation and park safety

- 1 Replacement play space and picnic facilities (Action 1.3).
- 2 (2a) New recreation zone comprising of basketball/netball/hit-up wall and exercise station. (2b) Exercise station (Action 1.5).
- 3 New public toilets part of pavilion (Action 1.21 & 2.7).
- 4 Upgraded Darebin Creek Trail to at least 3.0m (Action 1.7).
- 5 Secondary asphalt pathways (2.5m Wide) (Action 1.8).
- 6 Review pathway grades to ensure DDA compliance (Action 1.7).
- 7 Review relevance of informal tracks with Statutory Authorities (Action 1.7).
- 8 New 3/4 size synthetic community pitch (Action 2.3).
- 9 Construct 'Spiritual Walk' (Action 1.9).
- 10 Increase foot print of Barrbunin Beek (Action 1.10 & 3.3).
- 11 Provide a nature base play space over looking the creek (Action 3.2).
- 12 Demolish redundant public toilets at southern end (Action 1.23).

Open space and environment

- 1 Maintain fire break to residential properties and screen with fire retardant species where possible (Action 1.13).
- 2 Additional revegetation and habitat improvement works along Darebin Creek (Action 1.15).
- 3 Removal of senescent cypresses and replacement with indigenous trees (Action 1.13).
- 4 Improve interface between Darebin Creek Trail and soccer precinct (Action 1.15).
- 5 New high fence to soccer facility behind the grandstand embankment (Action 2.5).
- 6 Improve park entrance (wayfinding, landscaping, vehicle/motor cycle exclusion fencing) (Action 1.17 & 1.18).
- 7 (7a) Treat and harvest stormwater from the Olympic Park Main Drain for irrigation of north and south ovals. (7b) Harvest water for irrigation of main pitch (Action 1.16 & 2.10).
- 8 Relocate the southern boundary fence approximately 5-10m north to improve street frontage and landscape amenity along Southern Road. Realign path along Southern Road into the park (Action 2.5).
- 9 Install gateway signage (public artworks) at southern end. Interpretive signage to recognise olympic heritage at significant locations throughout the park (Action 1.4).

Movement and access

- 1 Review the design of the Wood Street replacement bridge for DDA compliance (Action 1.6).
- 2 New consolidated car park with realigned north-south access roadway, tree and understorey planting to car park to soften its visual impact, less dominant vehicle exclusion fencing and WSUD devices (Action 1.19).
- 3 New car park behind grandstand with WSUD devices (Action 1.20 & 2.4).
- 4 Additional pedestrian bridge/link to Northland Shopping Centre in accordance with the Northland Urban Renewal Precinct Master Plan (Action 1.6).
- 5 New park entrance. Proposed left turn in from Southern Road and out of car park onto Southern Road (Action 1.20 & 2.4).
